COUNTY OF LOS ANGELES
SHERIFF'S DEPARTMENT

DEPUTY INVOLVED NON-HIT SHOOTING

UNIT: Operation Safe Streets-Gang Enforcement Team
DATE: November 11, 2010, Thursday
TIME: 1735 hours
LOCATION: [redacted] West Claude St, Compton 90220
URN#: 010-19717-2836-055
IAB#: SH2277067

Sergeants Sonja Bracken, Frank Quichocho, Teri Roberts and Lieutenant Mike Grimaldi responded to the Compton Station area to investigate an on-duty, non-hit, deputy-involved shooting. IAB investigators learned the following:

On November 11, 2010, at approximately 1735hrs, OSS/GET Deputies [redacted] (# [redacted] and [redacted] (# [redacted] were riding with Sgt Dana Ellison # [redacted] as OSSS2 on patrol in the city of Compton. When they approached the intersection of Acacia Avenue and Tichenor Street, they observed approximately 30-40 individuals loitering in the street and drinking in public. They stopped to contact the group, and one of the males (later identified as Reginald Anthony Davis MB/093090) began distancing himself by walking north on Acacia Avenue, despite the deputies' instructions to remain at the location. Deputies [redacted] and [redacted] noticed what appeared to be an L-shaped bulge in Suspect Davis' right front pants pocket and ordered him to stop. Ignoring Deputy [redacted] order, Suspect Davis immediately ran away, going north on Acacia Avenue.

Deputies [redacted] and [redacted] pursued Suspect Davis on foot, north on Acacia Avenue then west on Claude Street. After running approximately ½ block down Claude Street, the suspect turned toward the deputies and pointed a handgun at them. Fearing for his and his partner's safety, Deputy [redacted] fired six shots at the suspect from his department issued Beretta 9mm handgun. Suspect Davis, who did not return fire, turned and ran north up the driveway and into the backyard of [redacted] W. Claude Street. The deputies did not pursue the suspect any farther.

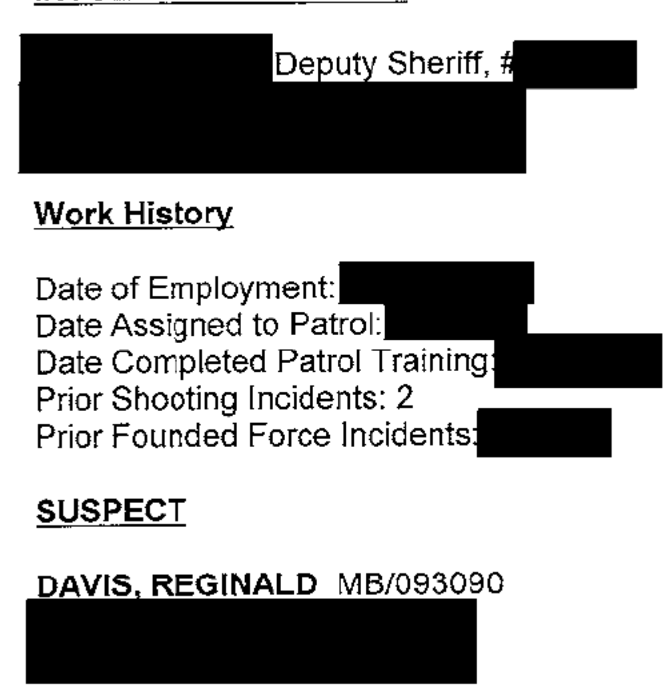

A containment was established but the suspect was not located. A small caliber semi-auto handgun was located on the ground in the rear of [redacted] W. Claude Street.

Deputy [redacted] and Deputy [redacted] were not injured during the incident. There was no evidence that the suspect was injured.

Two rounds from Deputy [redacted] weapon struck the rear of two of the vehicles parked on the street. One round struck a cement light pole. Three rounds struck the east side of homes in the immediate area. All six rounds fired were accounted for.

> **<u>IAB NOTE:</u> IAB Lieutenant Grimaldi checked to see that Operations Safe Streets, Lieutenant Saucedo, took reasonable steps to ensure that the involved and witness personnel did not discuss the incident among themselves or with uninvolved persons prior to being interviewed by the assigned investigators, and that the involved and witness personnel did not collectively consult with their attorney or representative. In addition, IAB Lt. Grimaldi checked to see if Lieutenant Saucedo attempted to have involved witness personnel gather in the company of a supervisor until they have provided a statement to the assigned investigators.**

> **<u>IAB NOTE</u>: The summary of this incident is based on physical evidence collected at the scene by Los Angeles County Sheriff's Department Crime Lab personnel, IAB investor's observations, as well as information obtained from the original crime report and supplemental reports along with interviews of the involved employees and witnesses *(Refer to Exhibits A through C).***

INVOLVED EMPLOYEE STATEMENTS

Deputy [redacted] was interviewed on December 3, 2010 at 1525 hours by IAB Sergeants Sonja Bracken and Dondra Cullins. The Interview took place Internal Affairs Bureau, Room B and was digitally recorded for review. The following is a summary of that interview.

Deputy [redacted] said that on November 11, 2010 at approximately 1735 hours he was working [redacted] as a [redacted] He was assigned as a three man unit with Deputy [redacted] and Sergeant Ellison as [redacted] They were assigned to patrol the City of Compton. Deputy [redacted] said he was dressed in Class B uniform with a green protective vest on top of his uniform.

Deputy [redacted] said they were traveling south on Acacia Avenue towards Tichenor Street when they noticed several people loitering in the intersection. He also smelled the odor of burnt marijuana in the air as they approached. They stopped and contacted several individuals. As Sergeant Ellison was detaining and talking to a unknown male, Deputy [redacted] and Deputy [redacted] attention was drawn to another male, wearing black pants, a gray striped hooded sweatshirt and a black baseball cap, on the northwest corner. He said the male was drinking from what appeared to be an "Old English" beer can. Deputy [redacted] said he and Deputy [redacted] began walking towards the male (later identified as Suspect Davis). Suspect Davis dropped the beer can and began walking north on Acacia Avenue. Deputy [redacted] ordered Suspect Davis to stop but he did not comply.

Deputy [redacted] said as Suspect Davis was walking away, he noticed what appeared to be an L-shape object swaying in his right front pant pocket. Suspect Davis refused to comply with Deputy [redacted] commands and he began running north on the west sidewalk of Acacia Avenue.

Deputy [redacted] said based on the fact that the day was "Hood Day", which is a celebration of the gang's birthday, he recognized several of the other people as gang members from previous contacts and based on his training and experience, gang members often carry firearms. He formed the opinion that Suspect Davis was possibly armed with a handgun.

Deputy [redacted] said as Suspect Davis began running north, Deputy [redacted] requested assistance via his hand-held radio. He and Deputy [redacted] chased Suspect Davis north on Acacia Avenue slightly paralleling him in the street. They then chased him west on Claude Street. Deputy [redacted] said as Suspect Davis was running, he was grabbing onto the object in his pocket. He said he followed Suspect Davis at a distance of approximately 30 feet. He said as Suspect Davis continued running west on the north sidewalk of Claude Street, he was attempting to retrieve the object from his right front pant pocket, which Deputy [redacted] believed was a firearm. At this point, Deputy [redacted] said he and his partner were following Suspect Davis west on the north sidewalk of

Claude Street. Deputy [redacted] said he illuminated Suspect Davis with the light attached to his department issued Beretta 92FS firearm. He said Suspect Davis was also illuminated by a streetlight near the area of [redacted] W. Claude Street. Deputy [redacted] said during the foot pursuit he was yelling commands to Suspect Davis identifying himself as "Sheriff's Department" and for him to stop.

> **<u>IAB NOTE:</u> As they initiated the foot pursuit, Deputy [redacted] was in front of Deputy [redacted] Deputy [redacted] overtook him during pursuit. Deputy [redacted] said he heard Deputy [redacted] putting out radio traffic and was aware of his partners presence.**

> **<u>IAB NOTE:</u> Deputy [redacted] estimated the distance between him and Suspect Davis at the time of the initial shooting was approximately 30 feet.**

> **<u>IAB NOTE:</u> See Exhibit "J" for photographs depicting the overall area of the foot pursuit and shooting scene on Claude St.**

Deputy [redacted] said Suspect Davis retrieved the object from his pant pocket, which he recognized as a small black semi-automatic firearm. Suspect Davis then "bladed" to his right and raised the firearm towards him. Deputy [redacted] said he feared for his and his partners life and had no other recourse or action than to use deadly force to end the threat. Deputy [redacted] said his backdrop was a clear sidewalk, there were no pedestrians outside and the Compton Creek was in the distance. He said as he was running, he fired five rounds from his firearm . He believes he began firing his weapon near a parked red Aerostar van. Deputy [redacted] said Suspect Davis took cover at the front end of a grey Astrovan parked near [redacted] W. Claude Street. He said as his momentum carried him forward, he used the rear of a red sedan, which was parked just east of the Astrovan, as cover. He saw Suspect Davis attempt to flee south across Claude Street. He briefly flanked out southward into the street, to keep sight of Suspect Davis. He instructed Suspect Davis to drop his weapon, however he did not comply. Suspect Davis again took cover in front of the grey Astrovan. Suspect Davis then ran in a northwestern direction towards [redacted] Claude Street. Deputy [redacted] moved into a position of cover on the south side of the grey Astrovan to keep an eye on Suspect Davis as he ran north.

> **<u>IAB NOTE:</u> Deputy [redacted] described the term "bladed" as Suspect Davis turning his body to the right, towards him, crouching down and raising his right hand extending it towards him at waist level.**

> **<u>IAB NOTE:</u> Deputy [redacted] illuminated Suspect Davis at both positions when he fired his weapon. The lighting device on Deputy [redacted] weapon is department authorized and activated by a designated switch which is separate from the trigger mechanism.**

> **<u>IAB NOTE:</u> See Exhibit "J" for photographs depicting the parked vehicles Deputy [redacted] used for cover.**

<u>IAB NOTE:</u> See Exhibit "J" for a photograph of the area where Deputy [redacted] fired his weapon from.

<u>IAB NOTE</u>: See Exhibit "J" for a photograph of the vehicle suspect used for cover.

Deputy [redacted] said Suspect Davis still refused to comply with his commands to stop. Suspect Davis turned towards him and pointed his firearm at him. Deputy [redacted] said his backdrop on this shot was a residence with no pedestrians outside. He said he again feared for his safety and had no other option but to fire his weapon once in an attempt to end the threat. Suspect Davis then ran north down the driveway of [redacted] W. Claude Street and out of view. Deputy [redacted] said he used the grey Astrovan as cover and did not pursue Suspect Davis any further.

<u>IAB NOTE:</u> Deputy [redacted] estimated the distance between him and Suspect Davis on the final shot was approximately 15 feet.

<u>IAB NOTE:</u> Deputy [redacted] and Deputy [redacted] had been partners for approximately one year. They had discussed pre-planned tactics for different situations. He heard Deputy [redacted] transmitting on the radio, therefore he did not transmit during this incident.

<u>IAB NOTE:</u> Deputy [redacted] frame of mind when they initiated the foot pursuit was: The neighborhood is claimed by the street gang Acacia Block Crips; during the contact that night he recognized several of the gang members and they called his named recognizing him; based on his knowledge and experience, he is aware that gang members often carry firearms; he has made approximately 70 arrests of gang members in possession of firearms in the past year; due to the L-shape and the heaviness of the swaying object in Suspect Davis pocket, he formed the opinion that he was in possession a firearm.

<u>IAB NOTE:</u> See Exhibit "K" for photographs depicting the residence and driveway area of [redacted] W. Claude St.

<u>IAB NOTE:</u> For further information, refer to Deputy [redacted] IAB verbatim interview.

<u>IAB NOTE</u>: A search of the area for the suspect and weapons the night of the incident was made. The suspect was not located. A firearm was located in the rear yard of [redacted] W. Claude Street where the suspect was last seen running.
